## Next Steps:

### ☐ **Book your flights and notify VV.**

Because all Village Volunteers programs are customized, you are free to select your exact arrival and departure dates.

When making your travel arrangements, be sure to reference our *Making Your Travel Arrangements* document. This document includes important guidelines regarding the time of day when you should arrive and depart.

After making your flight arrangements, please forward your flight itinerary to [info@villagevolunteers.org](mailto:info@villagevolunteers.org).

After we receive your flight information, we will send you an invoice for your Volunteer Program fee.

### ☐ **Obtain your passport and visa.**

Visit the U.S. Department of State website to apply for a [passport](#) and [visa](#).

### ☐ **Optional: Begin donation collecting or fundraising for your volunteer trip.**

Refer to the *Fundraising for Your Volunteer Program* and the *Donation Procurement Letter documents* for more details.

If you receive donations from friends, family, or your community, ensure that all checks are made out in USD to Village Volunteers and that your name is on the memo line so we will know to credit your invoice.

### ☐ **Consult a travel physician for immunizations and medical requirements.**

Village Volunteers cannot give advice regarding immunizations or other travel medications. You must consult a travel physician for this information.

Another useful resource for tips on how to stay healthy during your volunteer program is the [Center for Disease Control and Prevention website](#).
